## Happy Fall

With Fall the biggest topic for Edison is our 3 levy's

1. Fire Replacement Levy: Residents of Edison current levy is for 2.5 mill. This levy for 3 mills, for each \$1 of taxable value, which amounts to \$105 for each \$100,000 of the county Auditor's appraised value.

It is important for resident's to understand that the Mt. Gilead Fire Dept. would not be under any obligation to come to the aid if the need should arise.

It is also worth mentioning that without a fire protection service contract each resident can expect a significant increase in their home owners insurance.

2. Street and Storm Sewer expenses: at a rate not to exceed 1.5 mills for each \$1 of taxable value, which amounts to \$53 for each \$100,000 of the county Auditor's appraised value.

3. Renewal Levy of an existing levy of 3 mill for the purpose of current expenses for the Village of Edison. 3 mills, for each \$1 of taxable value, which amounts to \$53 for each \$100,000 of the county Auditor's appraised value.

These are the Levy's to be presented on the November 2025 ballot. Your vote matters!

You may view these Levy's in their entirety on line with the Morrow County Board of Election. There will also be a hard copy available at the Edison Village Municipal Building.
